\* Doujin Japan 2020 New Book Cards are presents provided by printing companies participating in the Doujin Japan 2020 New Book Cards Project. By printing their doujinshi with one of these companies, the circles will receive one New Book Card for each printing of new editions. This campaign supports the printing of new editions by awarding a variety of "privileges" and "preferential treatment" to circles participating in doujinshi (self-published works) events, companies, organizations, etc. according to the number of Cards the circles collected.
